Services on private parties (weddings, baptisms, personal holidays)

Organizing and coordinating the event

Organizational activities before the event:

- ✓ Coordination of subcontractors
- ✓ Preparatory activities
- ✓ Preparation of the daily program
- ✓ Preparation and finalization of the daily schedule
- ✓ Meet with participants to discuss current issues, clarify timetable
- ✓ Send the timetable to all subcontractors
- ✓ Discussion or teleconference with all subcontractors to resolve any upcoming issues
- ✓ Send the final plan to all participants so that they are fully informed

"Big Bang" - organization of the wedding, coordination and communication on the wedding day

- ✓ On the wedding day, there are 3 wedding agents who take care of the flawless fulfillment of the wedding plan.
- ✓ The bride and groom will each have a wedding agent on the morning of the wedding day to help you with the plan.
- ✓ Continuous communication between agents during the wedding party, as well as direct communication with subcontractors at each stage.
- ✓ The agents monitor the execution time of each plan point and take care of the changes that have occurred for other reasons.
- ✓ The agents inform guests about the next steps in the wedding plan and help guests with questions.
- ✓ The agents will welcome the guests at the entrance and accompany them to their tables.
- ✓ The agents collect the bouquets and gifts of the bride and groom.
- ✓ The agents will check the menu and drinks.
- ✓ The agents have full control over the entire wedding.

Additional services

- ✓ Advise the bride to a designer and choice of bridal gown
- ✓ Select bridal accessories
- ✓ advice and choice of make-up and hairstyle
- ✓ Wedding accessories such as wedding bouquet, wedding accessories for the groom and relatives, wedding invitations and others.
